Thanks, Melissa!

I'm sending your reply to my contact in OW (Rachel Fertik). That way, if they do decide to do the peer-review they will know what info you will need.

All the best,
Laurie

Hi Laurie, this contract is an agency contract, we welcome anyone using it...we manage it because we use it mostly. Please have them visit my website and supply me with their IGCE, PWS, management approvals (FCO for the PR that I will prepare in EAS, COR Nomination form and QA. I will do the rest. Thanks!

Hi Laurie,
 Great to talk to you today. As I said, I'm really looking forward to reviewing the synthesis. I'll be working on the other action items we discussed tomorrow afternoon.

I'm sending you a quick note to follow up on the contract questions I asked, since it seems that the need for answers is more urgent than I realized. I'm copying Palmer, the lead for the Bristol Bay project, in case he wants to add anything.

Thanks for any info you can provide - feel free to forward this if there is somebody with more intimate knowledge of the contract that you'd like to bring in.

cheers,
Rachel
